# TRIP DETAILS

Step back in time and enjoy two nights on the historic Mackinac Island at the Chippewa Hotel in the heart of town. You will acquire an appreciation for the rich history while you take a horse and carriage tour. In addition, you can visit unique places like Arch Rock, Fort Mackinac, and the Grand Hotel. The island is known for its unique shops, delicious fudge and of course the lack of automobiles.

From the charming Mackinac Island, we will travel to stay at the deluxe Boyne Mountain Resort for two nights. Enjoy the vast number of amenities such as the spa, golf course or the epic views from the 1,200-foot-long pedestrian SkyBridge that is 118-foot high. This is the World's longest timber-towered suspension bridge.

You will enjoy some free time in Petoskey to visit the historic Gaslight Shopping District and browse the unique shops and restaurants. Of course, you might even find the infamous Petoskey Stone.
